

### Mrs. J. Smith Tells How Cuticura Healed Her Baby

"About a year ago my baby, aged two years, had eruptions on the scalp that refused to heal. The general appearance of the breaking out was in blisters, and the eruptions became hard and crusty. The scalp was red and sore, and when rubbed or scratched the hair came off with the crusts. After about three months' unsuccessful treatment with different remedies I got Cuticura Soap and Ointment. The first application softened the crusts, and I used about two cakes of Cuticura Soap and one box of Cuticura Ointment when the child was healed." (Signed) Mrs. J. Smith, 230 Bartlett St., Medford, Ore., Feb. 21, 1918.

Not only are these super-creamy emollients wonderfully effective in eczemas, rashes, pimples, dandruff, and baby skin troubles, but once the skin is clear, the scalp clean, they keep them so for every-day toilet purposes.

Sample Each Free by Mail. Address post-card: Cuticura, P. O. Box 102, Portland, Me. Soap 25c. Ointment 25c and 50c. Talcum 25c.

### BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without the griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowels and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

### He Darkened His Gray Hair

They Used to Call Him Grandpa; Now They Call Him Kid. Tells How He Did It.

Mr. J. A. McCrea, a well known resident of San Francisco, who was called Daddy and Grandpa on account of his white hair, and who darkened it with a simple home-made mixture, recently made the following statement:

"Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, and make it soft and glossy. To a half pint of water add a ounce of bay rum, a small box of Barbo Compound and 1/4 ounce of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This is not a dye, it does not color the most delicate scalp, is not sticky or greasy and does not rub off. My friends now call me 'Kid.'—Advertisement"

### DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once. Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, neuralgia, congestion, pleurisy, neuritis, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size \$2.50.

### Carter's Little Liver Pills

For Constipation Carter's Little Liver Pills will set you right over night.

Purely Vegetable Small Pill, Small Dose, Small Price

### Carter's Iron Pills

Will restore color to the faces of those who lack iron in the blood, as most pale-faced people do.

Chronic Constipation. This disease is nearly always brought on by bad habits. To effect a permanent cure you must correct your habits. In the meantime take Chamberlain's Tablets. They are easy to take, and most agreeable in effect. They only cost a quarter. For sale by Osgood Bros' Drug Stores.—Advertisement

## BIG CANNON TURNED OVER TO AMERICANS

WITH THE AMERICAN ARMY NORTHWEST OF VERDUN, Sunday, Nov. 17. (By the Associated Press.) Two 16-inch cannon, which were turned over to the Americans at Spincourt on Saturday, were guns used by the Germans to shell the Verdun region. Forty-two guns of various calibers were turned over. The 16-inch guns were taken apart by the Germans into three sections, each section being drawn by a tractor.

The Americans were expected at Spincourt at 10 o'clock, but did not arrive until 2 in the afternoon because of roads which had been shattered by shell.

Lieutenant Emmet Gruner of St. Louis represented the first army with Lieutenant Robert Nicholson of Salisbury, N. C., going as military expert to the guns. The guns were in aligned condition. The Americans were accompanied by an infantry sergeant and four privates. Gruner, the sergeant, and one private went ahead in an automobile, carrying a white flag. Lieutenant Nicholson and the other privates followed.

GLAD WAR IS OVER.

Upon reaching the outskirts of Spincourt they were met by a line German soldiers with rifles fixed to the barrels. The Americans were escorted to the village hotel, where billets had been provided. After saying he was glad to see them, expressing his belief that his responsibility was over, the German said: "I am damn glad the war is over."

As the Americans entered Spincourt the rear guards of German divisions which had held the place were just withdrawing, the Germans rejoicing as they marched away. A few artillery men were pottering around the big guns as if they dreaded leaving their posts behind. All the cannon were camouflaged and some had names. One 8-inch gun was named Martha and had a prominent place in the front line.

GUNS ARE CHECKED.

The German Lieutenant escorted the Americans to the hotel and endeavored to make them comfortable. Lieutenant Nicholson and the German began checking the guns and continued the work until dark. Then the Germans entered the two line trenches at dinner. The German continued wearing his side arms until after the dinner, the Americans also wearing theirs.

After dinner the German said that he thought he did not need arms, but remarked that he had felt nervous during the afternoon after the German infantry had retreated, as he was uncertain as to what the Americans would do next.

Just before noon the German ordered the hotel to serve chocolate and began packing up his effects. He told the Americans that 3500 machine guns awaited them in Toulon. Two orderlies brought up his horse, the enemy officer mounted, saying good-bye. Then he added:

"I hope my troubles are over for a while. I hope to forget all about guns and wars and battlefields here."

He rode away, his orderlies following him in a horse-drawn cart.

## TWO BADLY HURT IN AUTO MISHAPS

BERKELEY, Nov. 18.—Two persons seriously hurt was the toll of Sunday automobile accidents in Berkeley and Albany yesterday.

A trip, residing at 1514 Sixth street, Berkeley, is suffering from a possible fractured skull and a broken leg as well as other minor injuries as the result of being run down by an automobile driven by George Johnson, 1223 Rusevelt street, Berkeley, at Marin and San Pablo avenues, Albany, shortly after 7 o'clock last evening.

Fripp, who admits being in a slightly intoxicated condition when the accident occurred, was waiting for a car in the safety zone, according to his story to the police. With Johnson in the machine were Ira Faubert, 1310 Russell street, and James Davis Jr., 1044 Tremont street, both of Berkeley.

Johnson, who was driving without an operator's license, rented the automobile for the day from A. Berthelton, garage owner of University and San Pablo avenues. An investigation is being made of the accident.

Miss Gladys Redayne, 3102 Shattuck avenue, slipped in front of the machine of Dr. W. R. Boone, Berkeley physician, while attempting to run across the wet pavement at Shattuck avenue and Bancroft way last evening. She suffered a contusion of the left temple and other cuts and was removed to her home by Dr. Boone, who administered treatment.

### Oakland Will Drop Lease Litigation

The City of Oakland will drop all litigation looking toward the invalidating of waterfront leases made in 1911. The city attorney was today instructed by resolution to take no further steps in the case of the City vs. Larue Wharf and Warehouse Company, which has been decided against the city by the Supreme Court.

City Attorney H. L. Hagan this morning informed the council of the contents of the decision and gave as his opinion that the court had fully sustained the validity of the defendant corporation's lease.

### Mello's Application for License Refused

The application for a liquor license filed by J. H. Mello, 2211 East Fourteenth street, was denied by the city council today on the protest of citizens of the district. The license, previously held under the firm name of Mello and Burns, was revoked about three weeks ago on the charge that Mello sold a jug of wine after hours.

On recommendation of Commissioner of Public Health and Safety F. J. Morse, the license was revoked, although this was the first offense. The chief of police recommended at the time that the license be suspended for 30 days.

### Kinsell Relieved by Bakersfield

Judge W. W. Hays of Bakersfield is presiding in the probate department of the Alameda county Superior Court in order to permit Judge Dudley Kinsell to return to his department four and finish up his calendar there. Judge Kinsell will assist in the department during the week.

## CHARLES WEEPS BITTERLY WHEN HE ENDS REIGN

ZURICH, Nov. 18.—A high dignitary describing Emperor Charles' abdication at Eckartsau Castle said he refused to sign the document until he was persuaded by Cardinal Czernach. He finally consented, weeping bitterly.

The Journal Venon reports that soldiers attacked Godollo Castle with the intention of murdering the royal family, but that Charles and the empress managed to escape to Eckartsau.

## ASK FOR PROBE ON WATER DAM

The Alameda county water district, through President J. C. Shinn, filed a complaint against the Spring Valley Water Company with the State Railroad Commission today, asking that the Spring Valley Company be required to submit to the commission the entire plan for the construction of modifications of the Calaveras dam on a tributary of Alameda creek, known as Calaveras Creek.

The Alameda corporation alleged that under the original plan the dam was unsafe, but on March 24 of this year a portion of the upstream saved them by causing all work to be stopped and which indicates grave doubts as to the safety and efficiency of the dam at the present time.

A complaint asks that the commission investigate the engineering work involved and the material in the dam, and declared conditions should be maintained in this construction which would provide any further slides which are held dangerous to the community in the vicinity of the dam if the slides were to occur while the \$2,000,000 gallon reservoir contemplated were filled.

## BRIDGE GUARDS ARE DISMISSED

The first of the post-war economies to be inaugurated by the Board of Supervisors was authorized today in a resolution dismissing five guards who have been protecting the Webster and Park-street bridges over the estuary, saving \$826 a month. The resolution was submitted by Supervisor W. J. Hamilton, who explained that the government is dismissing its guards. The positions will terminate at the end of the present month.

A record was made by the supervisors in the canvass of the election returns, the work being completed in five working days. The canvass was completed faster than the totals could be taken off on the adding machines. The result will be announced Wednesday, it is expected.

So far as can be determined, the canvass made no material change in the results announced, and it is believed no contests will be warranted.

Transportation to the amount of \$248 was authorized by the supervisors to send Mrs. Carrie Blinn and her four children to Bristol, Conn. The measure was advised by the Associated Charities, the husband and father having been a victim of the influenza and the family left destitute.

It was reported at the meeting that Chairman D. J. Murphy, who has been unable to attend the recent sessions of the board by reason of sickness, is improving.

The board announced that all county employees would be expected to contribute as liberally as possible to the war work fund, and after the meeting a number of donations were secured.

### CHINDA GOES TO PARLEY

WASHINGTON, Nov. 18.—Viscount Chinda, Japanese ambassador in London, has been named to represent his government at the peace conference. The Japanese ambassador in Paris will also be a representative.

## Police Seek Wife of Arrested Man

Search is being made by the police of the bay cities in an effort to find Mrs. Ethel Mountford Clave, bride of Fred Lord Clave, lieutenant in the Australian military forces, who was arrested in San Francisco on a charge of wearing a uniform without authority and of evading the immigration laws. Inquiry at the apartment of the Claves, at 767 Pine street, San Francisco, is said to have resulted in the information that Mrs.

## What keeps you up and doing?

The red blood cells. They carry and distribute oxygen—the breath of life—to every cell and tissue, charging your whole body with energy and power.

Gude's Pepto-Mangan creates new sturdy red cells, and so Gude's Pepto-Mangan is what thin-blooded men, women and children need. It improves color and appetite. It increases energy, vigor and stamina.

Study this picture so you will know how Pepto-Mangan looks.

Clave had left for Oakland to visit a Mrs. Green.

According to the husband, who is in the federal ward of the city prison in San Francisco, his wife does not know anyone in this city by the name of Green, and he expressed fear that harm has befallen her.

Clave says that he is far more apprehensive over the fate of Mrs. Clave than he is over the outcome of his case. He denies the charges made against him and says that he can easily disprove them.

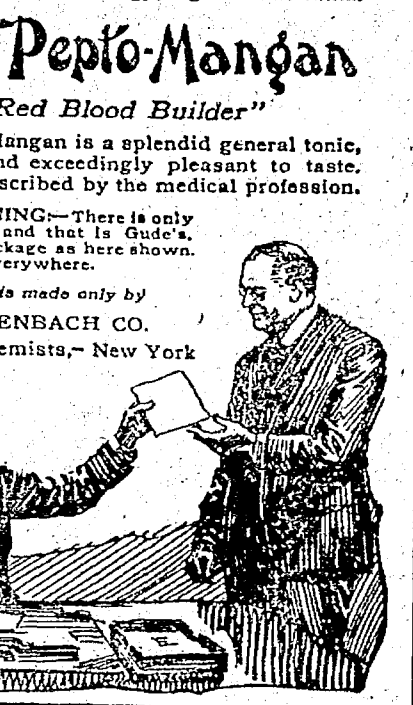

### Gude's Pepto-Mangan

"The Red Blood Builder"

Gude's Pepto-Mangan is a splendid general tonic, easy to digest, and exceedingly pleasant to taste. Endorsed and prescribed by the medical profession.

FRIENDLY WARNING—There is only one Pepto-Mangan and that is Gude's. Sold in bottle and package as here shown. Sold by druggists everywhere.

Pepto-Mangan is made only by M. J. BREITENBACH CO. Manufacturing Chemists, New York

## NEW PREVENTIVE FOR INFLUENZA DISCOVERED

### Georgia College Professor Discovers Deadly Enemy to Influenza Germ—First Used It to Protect Own Family—Just a Few Drops Inhaled From Pocket Handkerchief Disinfects Nose and Throat.

A NEW preventive treatment for Spanish Influenza, called Wilson's Solution, has just been placed on the market and is now on sale by leading druggists in Oakland. The formula was perfected by Professor Robert C. Wilson, head of the department of pharmacy of one of the leading educational institutions of the country, and is composed of the most powerful antiseptics and germicides known to science. All that is necessary is to inhale the vapors from a few drops on the handkerchief. The effect on the respiratory organs, although very penetrating, is not unpleasant, and has a very soothing effect on the throat. It can be conveniently carried on the person and should be inhaled from the handkerchief at frequent intervals during the day, especially when entering crowds or public places.

As a further precaution, Professor Wilson strongly recommends spraying the nose and throat night and morning with the solution in diluted form, according to directions on the bottle. The solution is composed of the most powerful germicides, the preparation is harmless when used in the above manner. A 25-cent bottle is sufficient for a week's treatment. Wilson's Solution is also known as Anti-Flu, and is sold spread rapidly over the city. On the whole, alone one retail druggist sold over five hundred bottles. Leading physicians, specialists and bacteriologists give the preparation their unqualified endorsement and are recommending it to their patients.

## NOTICE TO THE Shopping Public

Beginning January 1, 1919, the undersigned firms will close their stores at 6 P. M. every day, INCLUDING SATURDAY.

There are still five Saturday evenings this year before Christmas. Stores will remain open on these evenings in order to afford opportunity for holiday shopping.

Names of other firms will be added to this list and published from time to time

# HOUSES FOR CHILDREN IS BIG PROBLEM

By EDNA B. KINARD.

With the war, the election and the flu epidemic, safety, weather, here remains still another knotty problem to be settled. That question whether parents with little children shall have a right to lease a house or apartment according to their means and without fear of eviction for the reason alone that here are small citizens growing from childhood toward citizenship. It is a problem which war has bequeathed, although it was born long ago, when householders first began to rent their properties to those who for sundry reasons had no property of their own in which they might abide.

The impetus which the growing industries of Oakland and its environs has given to the overcrowding of the small home sections; the acute need of the thousands of men with growing families who have poured into this section against the need of the other thousands of men whose homes were childless, has created a situation which the peoples of Oakland must give heed if Oakland of the future is to measure up to its full opportunity.

What is to become of the children whose parents for financial or other reasons must depend upon the leasing of homes and the acquiring of a roof-tree of their own for the payment of a monthly stipend?

Commissioner F. F. Jackson, before he was transferred to the street department, proposed to introduce into the city council an ordinance similar to that which several industrial centers of the east found necessary for the protection of their future citizenship and had taken up in part with the city attorney's office the framing of such a measure.

To Commissioner Jackson who has succeeded Commissioner Jackson in the department of public health and safety, has the entire matter been referred. Dr. Jackson on Friday communicated with the city attorney, calling his attention to the proposed ordinance for the protection of families in which are children. The referring of the subject to the new commissioner of public health and safety was done, according to Dr. Jackson, on the grounds of etiquette between public officials.

What solution Oakland will find for this vital issue seems the present moment to rest in the hands of Commissioner Morse.

## Struck by Taxi; Is Badly Injured

While crossing the street at San Pablo and Park avenue, in Emeryville, Eddie Jones, a clerk, age 33, was struck by a taxicab at midnight last night, sustaining severe bruises and lacerations on most of his body. He was treated at the receiving hospital, where it is reported that he was not injured internally and will recover. The cab was driven by E. Francard.

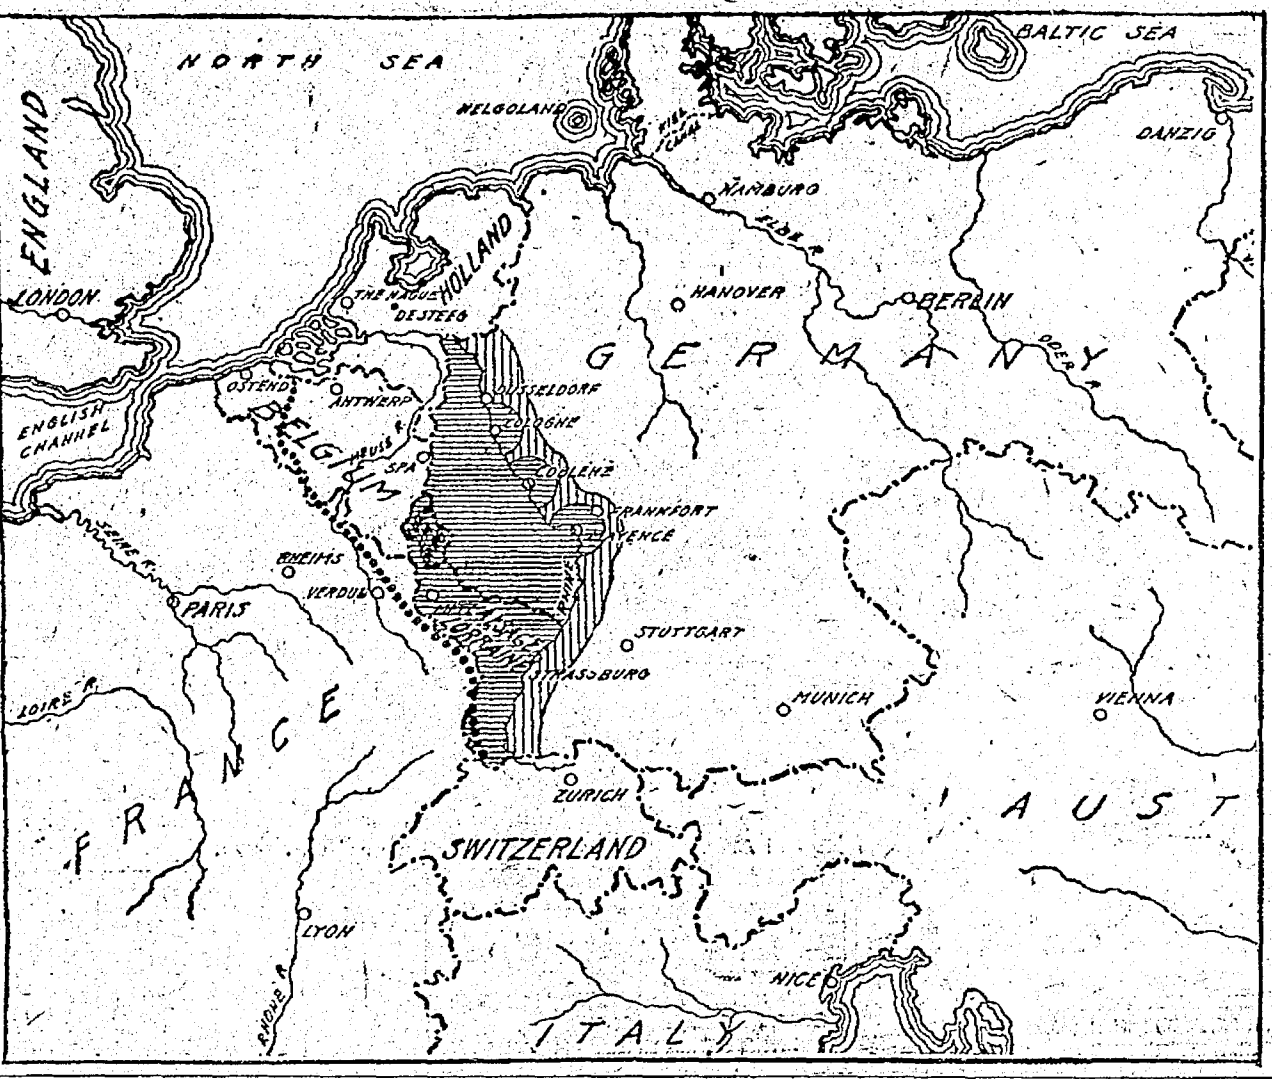

## Cry of Fire Fatal for 21 Children

MADRID, Nov. 18 (By wireless to New York).—Twenty-one children were killed in a cinema theater at Castellon, when a spectator shouted "fire" without reason.

## TRIAL IS STARTED

SAN FRANCISCO, Nov. 18.—Clarence Ebey, of Piedmont, former immigration inspector at Angel Island, who was indicted in connection with the Chinese graft conspiracy, involving a score of attorneys and emigration employees, went to trial before a jury in the county War Court building. This trial, a defendant of Lee You Fong, Agathon L. Hilkemeyer, former record room clerk, and Robert C. Ferguson, who had been jointly indicted with Ebey, entered pleas of guilty this morning and will be used as government witnesses.

Map of North Central Europe showing territory directly affected by the armistice terms and district to be occupied by the allied troops. Heavy dotted line shows present battle line. Portion of Germany shaded with horizontal lines is that which is to be occupied by the allied military forces, including all the Rhineland on the left bank of the Rhine and the three bridgeheads included within a thirty-kilometer radius drawn from Cologne, Coblenz and Mayence. Portion shaded with vertical lines is to be neutral territory, from which German military forces must withdraw within 31 days. Danzig, on the Baltic Sea, and the Vistula river, in the northeast corner of the map, are to be open to the allies for regulating naval affairs on the Baltic.

## CONSTRUCTION FOR WAR SCHOOL STOPS

The Oakland Board of Education today received orders from the War Department at Washington to discontinue all further government construction work at the Oakland Technical High School. Accompanying the orders is the suggestion that the strictest economy be practiced hereafter in all matters of expenditure for government account.

Since July 1, 238 men have received a course of training in automobile repairs and construction work. The first class of 174 men completed the course August 31. The second class of 124 men completed the course November 1.

There have been three buildings constructed on the "Tech" campus. The largest, a barracks building capable of housing 200 men. This structure will be converted into a military unit is finally dismissed.

Two other structures, one an automobile repair shop and a camp mess hall, are under construction. This structure was to have been furnished by the mothers' club for the comfort of the boys. In part of this building there are most of the government buildings. This has also been abandoned.

While no specific orders have been received, it is thought by the school officials that further units will not be trained at the Technical High school. The officials are now awaiting further orders from Washington.

## Doctor Accused in Woman's Statement

Charged with having performed a criminal operation, Dr. J. B. Thompson was arrested today by Police Inspectors Frank Rosick and Thomas Wood at his offices in the Bacon building.

Mrs. Annie Poulade, the victim of the operation, is in a critical condition at the Providence Hospital. If the operation should result fatally the police will prefer more serious charges against Thompson.

## TRIBUTES PAID TO FOUNDER OF MILLS COLLEGE

Exercises were held this morning in Lissner Hall, on the campus at Mills College, in honor of the founder of the institution, Mrs. Susan L. Mills.

Professor E. O. James in his address, "To the Founder," paid an eloquent tribute to Mrs. Mills and told many interesting reminiscences of the woman whom is largely due the advantages for higher education afforded the women of the Pacific coast.

President Reinhardt of Mills, in her address, "The Under-graduates," paid a glowing tribute to the ideals and enthusiasms of young womanhood.

Dr. Anna Cox spoke on "The Faculty," and Miss Rosalind Keep on "The Alumnae."

## Clinics Will Open at Medical College

The Oakland College of Medicine, at Grove and Thirty-first streets, announces that beginning on Wednesday all the clinics will be opened for regular work. The medical staff is offering free vaccine for influenza to those who ask for it. inoculation will be given in 24 hour periods. The college will be opened for this service daily from 10 a. m. to 4 p. m., except on Saturdays, when the hours are shortened from 10 a. m. to 12 m.

## Trusties Walk Out of Station

Two good trustees and true at the police Melrose station took it upon themselves to sever diplomatic relations with jail last night. Discovering that all the officers in the station were engrossed in various tasks, the pair calmly walked out.

## MAYOR URGES PATRIOTIC AFFAIR

The city council this morning appropriated \$500 to cover the expense of a thanksgiving celebration to be held at the Municipal Auditorium for all men in uniform. The day's exercises will be held under the auspices of the War Camp Community Service and the appropriation was made at the suggestion of Mayor Davis, who offered the letter which follows in part.

"The coming of victory to the nations united in the great Allied cause brought a spirit of unprecedented rejoicing and many spontaneous demonstrations expressed the overjoyfulness of our people.

The Thanksgiving and Christmas of this year will take on a greater significance than ever before and the message 'Peace on Earth, Good Will to Men' will announce the dawn of a new era in the world for which Americans and men and women of the allied nations so gallantly gave their lives.

"With reverence to the brave men and women of the allied countries who gave their lives in recognition of the great spirit of sacrifice that prevailed the world over, and mindful of the thousands of people in our city who are citizens of the allied countries, I suggest that Oakland prepare for an allied celebration, giving each of the allied countries one day to end on New Year's Eve with a joyous ball and pageant in the Auditorium.

"While our thoughts are turned to the brave deeds of our boys and we cannot well forget our Commander in Chief, Woodrow Wilson, who has earned the respect and admiration of the people of the world. That Oakland may perform some act to perpetuate in our city the memory of the allied countries, I propose that the City Council take the necessary steps to name the Football boulevard after President. The Football boulevard is a scenic drive enjoyed by thousands of motorists in this part of the state and its name after President Wilson, to be known as Wilson Boulevard, would be doing only a mite out of respect and honor for the wonderful leadership which Oakland's boys at the front and the people of this city as a whole have enjoyed."

Boys' novelty Rain Coats up to \$12.50

# MUST PUNISH EX-EMPEROR, SAYS PASTOR

With the colors of America and the Allied nations flying, the Oakland churches yesterday gave thanks for the triumphal ending of the great war. The Methodist churches united in a service of thanksgiving in the evening of the first Methodist church, and churches participating were the First, Eighth Avenue, Grace, Centennial, St. Stephens, Twenty-fourth Avenue and Golden Gate. Dr. H. E. Milnes, the district superintendent, delivered the address.

The First Presbyterian church held a sacred jubilee service. Rev. Frank M. Silsby said, "This victory means the downfall of autocracy and the passing into the twilight of the kings and emperors. The victory serves notice that not only the houses of Hapsburg and Hohenzollern but all kings must go.

"The new era seals the divine rights of the people. The riots and anarchy in Europe today are the reactionary results of the years of oppression. All the people praise God for the moral quality of the victory. It is the triumph of truth over the duplicity of the world, of honor, justice, decency over the teachings of Bernardini that the good man is weak and that the warriors are blessed. It is the triumph for the basis of good will for relations between nations, rather than fear and brute force.

"All the American people praise God for the actual quality of the victory. It confirms the truth of Christianity and the power of prayer and the cross. Over the silence of the night, the fields of Europe arise the vision of the saving Christ. Victory brings us important obligations.

"It will be the duty of civilization to mete out punishment to the ex-king and emperor. The victors must be held under the auspices of the War Camp Community Service and the appropriation was made at the suggestion of Mayor Davis, who offered the letter which follows in part.

"The coming of victory to the nations united in the great Allied cause brought a spirit of unprecedented rejoicing and many spontaneous demonstrations expressed the overjoyfulness of our people.

The Thanksgiving and Christmas of this year will take on a greater significance than ever before and the message 'Peace on Earth, Good Will to Men' will announce the dawn of a new era in the world for which Americans and men and women of the allied nations so gallantly gave their lives.

## KOSSUTH MONEY ON EXHIBIT AT U. C. LIBRARY

TRIBUNE BUREAU. 2011 SHATTUCK AVE. BERKELEY, Nov. 18.—As an echo of the Hungarian revolution in 1848-9, in which an unsuccessful attempt for freedom was made by the nation, a bill issued as a means of financing the revolt against the Hapsburg powers was just been presented to the University of California by Professor M. W. Haskell of the department of mathematics.

## Liquor Sales Rule Amended by Council

The council this morning passed a resolution modifying the regulations covering the sale of package goods by liquor stores and saloons.

Effective today, package goods may be purchased between the hours of 6 a. m. to 6 p. m. on week days and between the hours of 6 a. m. and 9 p. m. on Saturdays, which means that no package or bottle goods will be sold between 6 o'clock Saturday night and 6 a. m. Monday morning.

## Labor Inquiry Starts at Mills

Inquiry into labor matters at the California Cotton Mills was opened this morning by Raymond Spring and W. R. Kelly by federal order and will continue for the better part of the current week. With the closing of the Federal authorities made it impossible to buy bottle or package goods between 6 a. m. and 4 p. m. on week days and between 12 o'clock noon Saturday and Monday morning.

Walker Shoe Co. has bought the Sorexis shoe stock.—Advertisement.

## FIGHT IS OPENED ON TUBERCULOSIS

Prompt steps for the proper care of influenza patients, who through improper care following the attack may develop tuberculosis have been taken by the Oakland Anti-Tuberculosis Society, which has arranged to handle such cases in a large pavilion connected with the Arroyo Sanatorium at Livermore. This structure, which is not at present occupied, is being fitted up with about thirty-five beds by the society, according to P. C. Cuvelier, executive secretary.

Cuvelier states that in addition to accommodations provided at the Livermore institution, arrangements have been made to handle patients temporarily in local homes, where they will be provided with board and room and medical attention. The anti-tuberculosis society has set apart a fund to aid such patients as need financial assistance, according to Cuvelier.

The precautions being taken locally are in line with suggestions made by Mrs. E. L. M. Tate Thompson, director of the bureau of tuberculosis of the State Board of Health, who states that California will be obliged to increase the number of its beds by at least one-third in the tuberculosis sanatoria of the counties.

Mrs. Thompson says that patients who have not made a complete recovery from influenza and pneumonia are likely to take care of themselves, and find the aftermath, in many instances, to be tuberculosis. Already, she states, some of the counties of the state are making haste to provide more beds. Mrs. Thompson also says:

"Considering the fact that no community in the state escaped the epidemic, much work will need to be done by the city and county visiting nurses in following up by house visits the people who are ill, and in warning them of the danger of the utmost care must be taken of themselves, and to observe whether they need a physical examination to detect tuberculosis.

"This is the time when an ounce of prevention is worth a hundred pounds of cure. The unaccounted tired feeling, the loss of weight and appetite are danger signals that must be heeded."

## Motorcycle Hit by Auto; Rider Hurt

In a collision between a motorcycle ridden by Manuel P. Silva with an automobile driven by Antonio Christ in San Leandro last night, each of the men received a severe cut in the left leg. The collision occurred when the machines were turning the corner of the street. They were taken for treatment to the receiving hospital.

# CUTICURA SOAP

For Shaving, Bathing and Shampooing

The secret of healthy up-to-date shaving is use of Cuticura Soap, the "Cuticura Way." No mug, no slimy soap, no germ, no free alkali, no irritation even when shaved twice daily. One soap for all uses—shaving, bathing, shampooing, not to speak of its value in promoting skin purity and skin health due to its delicate Cuticura medication. Doubles safety razor efficiency. See signs and try Cuticura Talking, an anti-rust, cooling, soothing powder of lathering fragrance. 25 cents of all dealers.

# Pierce-Arrow

In figuring depreciation of Pierce-Arrow Trucks we figure on a mileage basis. No Pierce-Arrow Truck is ever worn out, but we estimate a minimum expectation of mileage at 150,000 miles.

PIERCE-ARROW PACIFIC SALES CO. Inc. A. J. KLEMEYER, Manager Webster at 23d Street Oakland, Cal.

Tastes like some fine blend of coffee but contains no caffeine.

The unusually attractive taste of

# INSTANT POSTUM

makes many people prefer it to coffee.

And you can make each cup strong or mild just as you wish by varying the amount of Instant Postum used per cup.

A Trial Is Convincing.

"There's a Reason."

**"Three Bears" 1**  
**Fairy Tale Play**  
**At the Fulton**

# At the Fulton

Quaint, merry Maude, Fulton h  
shook up another perfect score  
"The Three Bears," the play, with whic  
the actress-authoress-manager open  
his new season at the Fulton playhou  
he day that the ban on theaters wa  
graciously lifted by the authorities.  
If "The Three Bears" isn't the mo  
delightful bit of playwriting seen  
these parts in many moons, then the  
is something the matter with the jud  
ment of the fun-loving crowds w  
packed the Fulton.

[illegible]

That's enough for any actress to do. Paul Harvey and Frank Wallace and Herbert Sills divide honors as the thrills. Paul Harvey is the little beauty who wins Goldlocks. Or, maybe it was Goldlocks who won the little beauty? That must be left to the ladies to decide.

Stage Director Knox announced, between acts, that Miss Rhea Mitchell, the green star, who is to be the leading

...the button players, will make  
...first appearance next Sunday i  
...Maud Fealy play: "The Little  
...teacher."—R. B.

---

...General U. S. Webb and chair  
...man of the state central Republica  
...committee, has tendered his resigna  
...to take effect January 1. Ben  
...min says he will enter private law  
...practice.

...During the recent campaign Ben  
...min acted as campaign manager  
...for Governor William D. Stephens  
...rumors were current at that time

**IT PUTS THE "PEP"**

This is what makes Peptiron of wonderful therapeutic value, and so successful after influenza, the grippe, anemia in blood and nerve troubles, leukaemia, paleness, nerve weakness and the exhausting worry and anxiety over the world war. It is a real iron blood and nerve tonic, especially beneficial in the weakness following the influenza and grippe, to worn-out, brain-fagged men, and delicate women, school-tired youth.

to fast-growing boys, invalids  
d convalescents, the aged and in-  
m. It actually puts iron, a natural  
lengthener, into the blood, and re-  
the wasted red corpuscles.  
ur druggist knows its great merit.

# HER POSITION

Miss Osborn Was Nearly Ready to Give Up Tanlac

**Restores Her.**

My condition was so awful that if I can't get hold of Tanlac when I did I could have had to stop working and go up my position," said Miss Rachel Horn of 910 West Eighth street, Los Angeles, the other day.

"I had so much trouble the last two years with my stomach and kidneys," she continued, "that I was almost completely worn out, and

I just couldn't keep up another day. My food did not digest properly. I would sour on my stomach and be as miserable for hours after eating anything. My kidneys worried constantly and my nerves were in a wretched shape that I passed my a night without being able to sleep hardly at all. Then in the morning I would be so tired and fagged out that it was all I could do to get up and start. I felt so tired and worn out all the time that my work was like a burden to me.

I would just have to quit, for I did hardly drag myself around. Although I was taking some kind of medicine most all the time I got worse instead of better, and hardly knew what to do next.

Tanlao seemed to be helping so many other run-down people, I got me some, hoping that it would help me. Before I had finished my first bottle I felt so much better that I knew I had found the right thing for my case. At last, I have used four bottles now

"I must say that it is the only thing  
has done me any good and kept me  
my feet. My stomach has been toned  
that I digest what I eat and my  
is doing me good. My kidneys  
worry me like they did, my nerves  
quiet and I sleep like a child all  
I am in fine condition now and  
work is a pleasure to me now in-  
of being a task. All my friends  
noticed my great improvement and  
ral of them have already com-  
ed to take Tanlac on account of  
way it has helped me."

# DRINK HABIT

**Reliable Home Treatment**  
 The Orrine treatment for breaking up the Drink Habit can be used with absolute confidence. It does all desire for whiskey, beer, and other alcoholic stimulants. If you fail to get results from Orrine, your money will be refunded.

## FLEEING U. S. SOLDIERS ARE SOUGHT HERE

Police of Oakland and the Eastbay cities today took up the search for military prisoners and soldiers who had fled from the front lines after the armistice. The search was being conducted in the Eastbay cities, where the soldiers were reported to have fled from the front lines after the armistice.

Walking boldly aboard the United States tug General McDowell, the fugitives mingled with other officers and enlisted men on the tug. It was more than an hour later before their flight was discovered. A detail of ten soldiers was then dispatched from Alcatraz Island to assist the police in searching for the prisoners. A general alarm for the apprehension of whom had been sent out by the military authorities. Broken lockers in the officers' quarters and the rifled trunks of Lieutenants J. J. Meskill and Gail Johnson led to the discovery of the escape of the two men. They had been employed as trustees at Alcatraz and were held in such confidence that they had no trouble in getting the uniforms which enabled them to board the tug without being questioned.

It was shortly after 7 o'clock when they left Alcatraz and they landed at the Presidio less than a half hour later. By the time the police were notified of their escape the fugitives had nearly two hours start.

Bach, who is 24 years old, was sent to Alcatraz from Lewis under a two and a half year sentence and dishonorable discharge from the army for the theft of \$31. He is described as a man 5 feet 11 1/2 inches tall, weighing 170 pounds and smooth-shaven, with blue eyes and light hair. His home is at 351 East Forty-second street, Portland, Ore.

Zirker, who is 22 years old, was sent to Alcatraz from American Lake to serve five years after being dishonorably discharged from the army for the theft of \$15. He is about 5 feet, 9 inches tall, weighs 160 pounds, is smooth-shaven and had brown eyes and dark hair. He is a married man and before joining the army lived at 1902 North Main street, Los Angeles.

## FOLLOWED HER DOCTOR'S ORDERS

Many rheumatic people suffer pains that could be avoided by building up the blood. When rheumatism is associated with thin blood it cannot be corrected until the blood is made rich and red.

Mrs. Peter Titner of 10 Holt street, North Billerica, Mass., used Dr. Williams' Pink Pills to combat the effects of rheumatism accompanied by attacks of indigestion. This is her experience. "I was living in Nova Scotia some years ago and contracted a severe cold. The next day I was confined to bed. Sharp pains started in my right shoulder and nearly drove me mad. They worked down to my right knee which was stiff and sore, and went to my hands. I could not sleep and was in terrible pain all the time. My knees were swollen.

My stomach was affected and I would have terrible pains after eating. Gas would form and I would have smothering sensations and could eat but little. I was very nervous. My doctor advised me to try Dr. Williams' Pink Pills and as I had heard of a boy who had St. Vitus' dance and had been benefited by the pills I was encouraged to try them. After I had taken three boxes I was much better, the pains in my shoulder and limbs were not so intense. I took several more boxes and the pains left me. Dr. Williams' Pink Pills certainly built up my blood and restored my strength."

A valuable booklet, "Diseases of the Blood," containing much information about rheumatism is free on request. Dr. Williams' Pink Pills are sold by all druggists or by mail, postpaid, on receipt of price 20 cents per box. Six boxes, for \$2.50 by the Dr. Williams' Medicine Co., Schenectady, N. Y.

## Feels Like a Real Fellow

"After nine years of stomach suffering, colic attacks and bloating, I feel like a living person again. Four boxes of Dr. Williams' Wonderful Remedy have entirely restored me. I have met a great many people who, I am sure, need this medicine. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver, and intestinal ailments, including appendicitis. One dose will convince or money refunded. Osgood's Dept. Drug Stores and Druggists everywhere.—Advertisement.

For a Sour Stomach. Eat sparingly, particularly of meats, masticate your food thoroughly and take one of Chamberlain's Tablets immediately after supper. For sale by Osgood Bros. Drug Stores.—Advertisement.

## BUCKHECHT ARMY SHOE

"The greatest improvement in footwear in a generation." This is what experts think of the Munson Last—the principle back of the Buckhecht Army Shoe.

You, too, will like the Buckhecht Shoe. You will like its comfort, its velvety feel, its wear-resisting qualities. And you will say: "Here is a shoe that doesn't crowd or cramp my toes. It gives me the comfort and wear I have a right to expect from my shoes."

Always look for our registered trademark—BUCKHECHT—stamped on every pair. It is our mutual protection.

## HOHENZOLLERN'S DUTCH HOST IS EMBARRASSED

MAARN, Holland, Saturday, Nov. 16.—Count Charles von Bentinck, son of Count Godard, in an interview today declared that his father was unaware of the intended coming of the former German emperor until last Sunday, when the Dutch government asked him if he would receive the exile. The count acceded to the request as a duty to the Dutch government. The former emperor's host seems somewhat embarrassed over the delicate charge given him, as his family has considerable English connections.

Count Charles said that he asked the former emperor: "Well, how long will you remain?"

"That depends upon the Dutch government," was the reply.

## EDUCATORS WILL TRAIN NEXT ARMY

SAN FRANCISCO, Nov. 18.—The Back-to-School movement of the children's bureau of the United States department of labor has been taken up by the federal employment bureau, San Francisco branch, which has been ordered to discourage all boys and girls under 16 years of age from leaving school because of the high wages now offered in industry.

The school is your training camp. Don't be a deserter. This is from the children's bureau of the United States department of labor to the thousands of children who are leaving the schools for industry, dazzled by the present high wages offered. Jobs that offer very little training, and less hope of a future, the bureau reports, are being taken unquestioningly by the youngsters who "don't like school anyway" and think they are "old enough to work," or who feel the urge of home necessity. The object of the Back-to-School drive is stated by the bureau in the President's words: "That no child may have less opportunity for education because of the war. The drive will attempt two things to return to the schools and keep there the children who have deserted them for industry, and to keep the children now in school from leaving prematurely."

The actual work of the drive will be done through the child conservation section of the Council of National Defense which is organized in to state, county and local units. In each school community committees are being formed whose first duty will be to study child labor and school attendance laws. After that they will go to the county superintendent, the schools, and teachers to get accurate lists of the children who have not returned to school. Then begins the real work of getting the children back. Parents will be called upon, and the committee members will talk over with them what is important not only to the child but to the country that he will be prepared for the work before attempting it.

Where the reasons for leaving were pecuniary an adjustment will be attempted so that the child may return. The bureau urges that the adjustment be the form of a scholarship similar to those in practically all of the colleges, and in certain city school systems. The average amount of school scholarships is \$1,300 a year, and it is hoped that as a result of the drive an average of at least one will be founded for each of the 281,000 school houses in the United States. The Red Cross will help to keep in school those children who have a father or brother in service.

CHILD LABOR. The refusal of the federal government to employ children in essential industries gives point, the bureau stated, to the contention that they should not be allowed to be employed to furnish a cheap source of labor for non-essentials.

## Walton Again on Trial for Assault

The second trial of Charles Walton, alleged to have assaulted Max Gutter during a poker game in an Alameda saloon with a deadly weapon, began today before a jury in Judge James G. Quinn's department. The jury in the first trial disagreed. Gutter is said to have been assaulted with a knife, the blade penetrating his right breast. He did not know he was cut until after the fight had been stopped and he saw blood upon his coat. The fight occurred in August.

## Wife Says Hubby Threatened Her Nose

Fred Brown, according to the divorce complaint of Catherine Brown, filed today, threatened to chop her nose off. The complaint says that Brown left home for a week at a time without revealing where he had gone. They were married in 1911 and have no family.

The divorce complaint of Pearl v. Carl C. Hebel is on the secret file.

## OAKLAND MAY BE FREED OF FLU MASKS

An order rescinding the wearing of "flu" masks may be issued by the health department the latter part of this week, according to Fred F. Morse, commissioner of Public Health and Safety. In discussing the matter, Commissioner Morse said: "While I am not ready to ask for such an order yet, and shall be governed entirely by the health authorities, I am sure that if the results of letting up in restrictions in other ways does not tend to increase the number of new cases, we will be able to drop the wearing of masks at least by Friday of this week."

The health department this morning reported two new cases of influenza for the period ending Saturday noon up to 11:30 this morning. But four deaths were reported for the same period, and 65 persons were released as cured for the same time. "Everything points to a rapid disappearance of the epidemic," said J. H. Mellon, secretary of the health board, this morning. "We are now releasing cases so much faster than

## FLU MASK IS CAUSE OF HALT IN LAW COURSE

TRIBUNE BUREAU  
2011 SHATTUCK AVE.  
BERKELEY, Nov. 18.—Because he declared he couldn't argue a case satisfactorily muzzled by a flu mask, Otto Irving Wise, well known San Francisco attorney, this morning won a postponement from Judge Robert Edgar until after the gauze protectors have been banished from use.

Wise appeared in court this morning as attorney for the Pacific Vinegar and Pickle Works of Hayward, charged by Professor E. J. Lee, director of the state pure food laboratory at the University of California, with using adulterations in its products.

"For honor, it is absolutely impossible for me to present my case hampered by this mask," declared Wise when the case was called. After taking the request for postponement under advisement and with the consent of attorneys for the state, Judge Edgar set January 6 as the date for trial.

A woman jury which had been impaled to sit in judgment upon the case was dismissed.

new ones are being reported that we are certain that within the week there will be less than 1000 cases on hand, and as the disease seems to be less virulent in all new cases reported, we believe that it will rapidly die out.

"We must, however, continue to use every precaution. It would never do to let the disease get another start."

## BLISS NATIVE HERB TABLETS

Recognized as the only standard herb remedy; have been relieving sufferers from Disordered Stomach, Biliousness, Constipation, Impure Blood, Rheumatism, and Headaches. A great Kidney and Liver Regulator. Look for the money-back guarantee in every box. Get the genuine. Every bottle stamped with this trade mark. Price, \$1 per box of 200 tablets. Sold by leading druggists and local agents everywhere.

## SERATHOL FOR INDIGESTION

Dr. Edward Derrish, a New York physician, advises people who have a pain in the stomach, caused by indigestion, gas, or acidity, to take a natural, unadulterated substance such as Bitro-Phosphate and you will soon see some astonishing results in the increased nerve energy, strength of body and mind and power of endurance.

Bitro-Phosphate is made entirely of the organic phosphate compound referred to in the National Standard Dispensary as being an excellent tonic and nerve and a preparation which has recently acquired considerable reputation in the treatment of neurasthenia. The standard of excellence, strength and purity of its substance is beyond question for every Bitro-Phosphate tablet is manufactured in strict accordance with the U. S. Pharmacopoeia test requirements. Bitro-Phosphate is therefore not a patent medicine and should not be confused with any of the secret nostrums, so-called tonics or widely advertised "cure-alls."

CAUTION—Although Bitro-Phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, owing to its remarkable flesh-growing properties, it should not be used by any one who does not desire to put on flesh.

Get rid of that "grumpy" and "dark" your brain and all of the other symptoms of a man who is not in the best of health. Bitro-Phosphate is a sure COMBINATION—LAXATIVE, PURGATIVE, the one best bowel regulator.—Advertisement.

NEWS TO CAMP  
Send THE TRIBUNE to the boys at Camp Lewis. Home news will be the National Army.

## THIN PEOPLE NEED BITRO- PHOSPHATE

What It Is and How It Increases Weight, Strength and Nerve Force in Two Weeks' Time in Many Instances.

"Take plain bitro-phosphate" is the advice of physicians to thin, delicate, nervous people who live on vim, energy and nerve force, and there seems to be ample proof of the efficacy of this preparation to restore the recuperation. Moreover, if we judge from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust and rounding out the body, we are led by the soft curved lines of health and beauty, there are evidently thousands of men and women who need their excessive thinness. Thinness and weakness are usually due to starved nerves. Our bodies need

Frederick S. Kille, M.D., Pioneer in the Application of X-Rays in the U. S.; Author of Medical Textbook, Member Author's Committee of America, Health League, Physicians Legislative League, N. Y., and Editor-in-Chief of "Who's Who" in N. Y. more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by The Owl Drug Co. and all good druggists under guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphate food elements, bitro-phosphate quickly produces a welcome transformation in the appearance of thin, nervous people, frequently being astonishing. Clinical tests made in St. Catherine's Hospital, N. Y. C., showed that two

Miss Josephine Davis, reporting her own experience with BITRO-PHOSPHATE, says: "It is remarkable what it did for me. After a few days I began to regain my weight, and full of life, was able to sleep soundly and all my little troubles seemed to disappear. I gained twelve pounds in four weeks."

patients gained in weight 23 and 37 pounds, respectively, through the administration of this organic phosphate. Both patients claim they have not felt so strong and well for the past twelve years.

The increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, soon disappear, dull eyes become bright and the cheeks flow with the bloom of perfect health.

Physicians and hospitals everywhere are now recognizing its merits and use in ever increasing quantities. Frederick Kille, M.D., editor of New

York Physician's "Who's Who," says: "Bitro-Phosphate should be prescribed by every doctor and used in every hospital to increase strength and nerve force and to enrich the blood."

JOSEPH D. HARRISON, M.D., Visiting Specialist to North Eastern Dispensary, says: "Let those who are weak, thin, nervous, anemic, or run-down, take a natural, unadulterated substance such as bitro-phosphate and you will soon see some astonishing results in the increased nerve energy, strength of body and mind and power of endurance."

Bitro-Phosphate is made entirely of the organic phosphate compound referred to in the National Standard Dispensary as being an excellent tonic and nerve and a preparation which has recently acquired considerable reputation in the treatment of neurasthenia. The standard of excellence, strength and purity of its substance is beyond question for every Bitro-Phosphate tablet is manufactured in strict accordance with the U. S. Pharmacopoeia test requirements. Bitro-Phosphate is therefore not a patent medicine and should not be confused with any of the secret nostrums, so-called tonics or widely advertised "cure-alls."

CAUTION—Although Bitro-Phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, owing to its remarkable flesh-growing properties, it should not be used by any one who does not desire to put on flesh.

Get rid of that "grumpy" and "dark" your brain and all of the other symptoms of a man who is not in the best of health. Bitro-Phosphate is a sure COMBINATION—LAXATIVE, PURGATIVE, the one best bowel regulator.—Advertisement.

## VICTIM OF BULLET DIES IN HALLWAY

SAN FRANCISCO, Nov. 18.—The body of a man believed to have been murdered was found early this morning in the hallway of the second floor of the Hotel Corona, 167 Third street. He is partly identified as John G. Dennison of Chico.

The man supposed to be Dennison was not registered as a guest at the hotel. When the body was discovered it was stated that he had crawled into the hallway, up the stairs and died of a heart attack while sleeping off a debauch.

A bullet wound was discovered in his stomach. No powder burns, however, appeared on the clothing, which led to the belief that the shot had been fired from a distance. The investigation of the mysterious death has been referred to Detective William Harrison.

## THE TOONERVILLE TROLLEY THAT MEETS ALL TRAINS

THE NIGHT OF THE BIG PEACE  
CELEBRATION THE SKIPPER MET  
THE LAST TRAIN FROM TOWN  
AND WHEN THE TROLLEY SLIPPED  
OFF THEY STAYED RIGHT AT THAT  
SPOT THE REST OF THE NIGHT BECAUSE  
THERE WAS NO ONE ABOARD WITH A HAND  
STEADY ENOUGH TO PUT IT ON AGAIN.

## NEW TRAINS EAST MAY BE SCHEDULED

New transcontinental trains from Oakland East may soon be added to the present schedules, as the result of the release of trains formerly used to carry soldiers to cantonments. Cancellation of troop movements, the railroad administration announced today, means a vast release of cars, especially east of Chicago.

Local car service is sufficient for state needs, say local officials of the rail administration, while eastern traffic is needed. They expect to make up several eastern trains out of released cars.

Director General McAdoo last spring shipped about 21,000,000 miles monthly from passenger train service.

Among those taken off were seven transcontinental trains, running out of Oakland on practically parallel lines.

## OAKLAND MEN DIE AS PEACE APPROACHES

Harold A. Davis was killed in action on October 9, according to the official telegram which came this morning from the War Department to his parents, Mr. and Mrs. H. A. Davis. The dead soldier was with Company C, 1st U. S. Engineers. He was sent to camp Lewis for training with the first draft last year. In a letter he wrote to his mother on October 7, Davis said: "I am trying to do my share and sure hope to be able to get one Echee any day."

Before his enlistment, Davis was an assistant to his father, who is superintendent of the Central Reserve Reserve Plant of the East Bay Water Company. The family reside on the reservation in the east end of the city.

The death of young Davis places the first gold star in the service flag of the water company, which has released 34 men to the colors.

Although Sol B. Cohn, known among his intimates as Charley Cohn, was killed in action on July 18, official word of his death was not delivered to his family until yesterday. The last letter which was received from him was dated in July and related how he had been wounded, but was ready once again to go into battle. It is believed that he received the fatal injury immediately after this letter was written. For more than ten years young Cohn, who resided at 522 Eighteenth street, was in the employ of Kahn Bros. He was receiving clerk. When the first draft call was issued, Cohn joined the colors and went to Camp Lewis for training. He was sent overseas early in the conflict. Although the firm which employed him has sent 24 men into the service, Cohn is the first of the number to have been killed.

Private Michael Busch, brother of Louis Busch, 2701 San Pablo avenue, who was previously reported missing in action, has returned to duty, according to the announcement which has come from the war department to his family. Busch was formerly in the service of the Soda Rock cafe. He is a Czech-Slovak, who enlisted for overseas duty more than two years ago.

Philip G. Stenmark of Richmond has been wounded in action, degree undetermined. The names of three California men are today announced among those who have been killed in action. They are Antonio Silva of Aptos, Alexander Silva of Ignacio and Howard Kahl of Wasco.

Morris Kessler of San Francisco died as the result of wounds received in action. An additional list sent from the war department includes the name of Alvin C. Wilkerson of Taylorville, formerly reported missing, who is now reported returned to duty.

## Oakland Has 2 Days More in Drive Short \$120,000 in War Quota

How patriotic is Oakland? This question is being asked today by the executive committee in charge of the United War Work Campaign.

By action of the national directors of the campaign in Washington, two days have been added to the drive which was to have ended tonight. Instead, the campaign will continue until Wednesday night.

If the two additional days had not been added to the campaign, Oakland would have had the appellation of "slacker" attached to it, says the executive committee, for it could not possibly have "gone over the top" by tomorrow night.

With the two days added, Oakland must raise \$120,000 in three days, or \$40,000 a day.

At the same time the county must average \$50,000, inclusive of Oakland and the county to answer favorably the war work drive appeal, says the executive committee in a statement issued today.

Neither the people of wealth nor the wage-earners are showing the enthusiasm which they should show in the present campaign.

Instructions to add two more days to the campaign, received yesterday from Washington, were issued at the request of President Wilson. The word to extend the campaign also carries with it the information that every district in the country will be expected to oversubscribe its quota by 50 per cent or more during the two additional days.

Among the checks turned in late Saturday night to the county executive committee was one for \$558 from the employees of Kahn's. That firm already has contributed \$1000.

Word was received this morning from the Union Construction Company that employees of that plant had all contributed a day's pay to the United War Work fund and that a check would be sent in for in excess of \$3000.

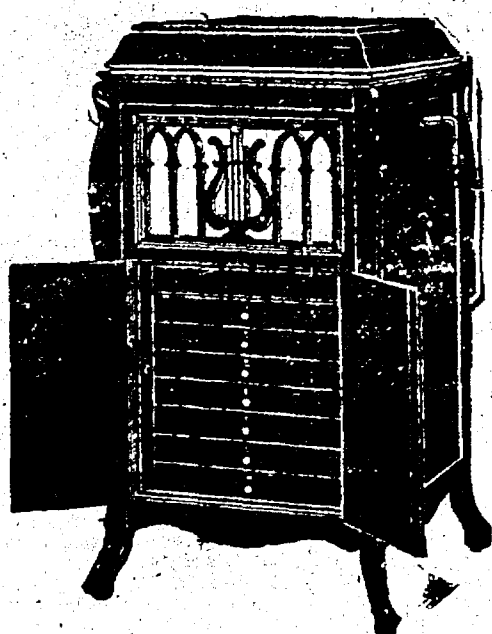

## TRADE SOUTH TO BE BOON TO OAKLAND

The great ships built in the local shipyards in the last year to carry men and munitions to Europe are to find a new era of usefulness, together with the ships to be built in the new concrete shipyards now being rushed to completion. They are to form a bridge between the Americas after the war, it was learned today.

One-third of the tonnage built in America, it was learned from shipping board officials today, will be put into South and Central American trade after the hostilities are finally ended.

# Starr

PHONOGRAPHS

"The Difference is in the Tone"

## Musical Instrument Makers Produce the Starr---

The Starr Piano Company is one of the world's largest producers of musical instruments. Out of fifty years of attainment comes the Wonder phonograph, the Starr. You would expect an unusual phonograph from the world-renowned makers of musical instruments. And you won't be disappointed. The element of first importance in any musical instrument is the tone. The "Singing Throat" of Silver Grain Spruce of the Starr gives phonograph-music a depth and beauty that you thought impossible.

It is so remarkable a musical instrument that you should not buy a phonograph until you hear the Starr.

## Why you will prefer the STARR

### Plays All Records Perfectly.

Some sound box diaphragms reproduce high notes well, but are poor for low notes. And vice versa. The Starr reproducer handles all tones equally well, on all makes of records.

### Tone Arm of Brass

Short travel and few turns for sounds. Brass least affects sound. Pure, powerful tones, untinted, undiminished, thus travel onward.

### Starr "Singing Throat."

The laws of tone reproduction fail to vary regardless of the instrument. A half-century's experience in building over 150,000 famous Starr musical instruments has evolved the human-like "Singing Throat" of the Starr Phonograph.

### Silver Grain Spruce

Since the day of the clavichord, no more sweetly vibrant wood has revealed itself. So the Starr "Singing Throat" is of Silver Grain Spruce. It is the chosen of music-makers.

### Starr Motor

Built complete in the great Starr factories. Steady, quiet and trouble-proof. Easily oiled. Plays six or more selections with one winding.

### Tone Modifier

At will you may vary the volume—but without muffled the delicate shadings. A volume to fill the largest room—or quickly modulated to suit the smallest space.

The Starr Was Awarded First Prize at San Diego Exposition

## STARR Prices \$60 to \$340

## James E. Rodgers to Speak on War Work

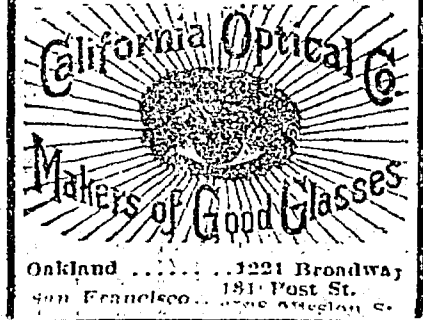

James Edward Rodgers, of New York, who has come west to conduct the conference of the War Camp Community Service workers, which will be held in San Francisco, Wednesday, will speak before the Oakland Women's Committee, Councils of Defense, tomorrow morning at 10:30 o'clock, at 420 Central Bank building. His subject will be "The After War Work of the War Camp Community Service."

Walker Shoe Co. has bought the Sorensen Shoe stock.—Advertisement.

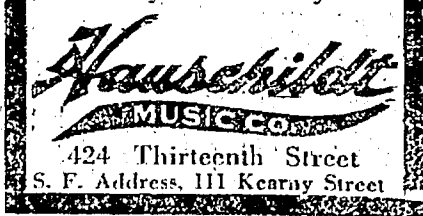

## The new lenses— what they are

Ordinary lenses only give clear and distinct images when looking through the center. When you rotate your eyes to the edge of the lenses the object is blurred. The new lenses—Funktals—are ground and polished according to formulas especially computed for that particular power and kind of lens, eliminating all blurring. San Francisco and Oakland Agents.

## JIMMY COCOANUT: "Johnny, is peanut singular or plural?"

JOHNNY PEANUT: "It's singular outside and plural inside."

MILK MAID: "That's singular."

JOHNNY PEANUT: "Jimmy, is cocoanut singular or plural?"

JIMMY: "I don't know, but it doesn't make any difference, because it's the cream of cocoanuts that is used in making Calinut."

MILK MAID: "And the milk used in Calinut is Pasteurized."

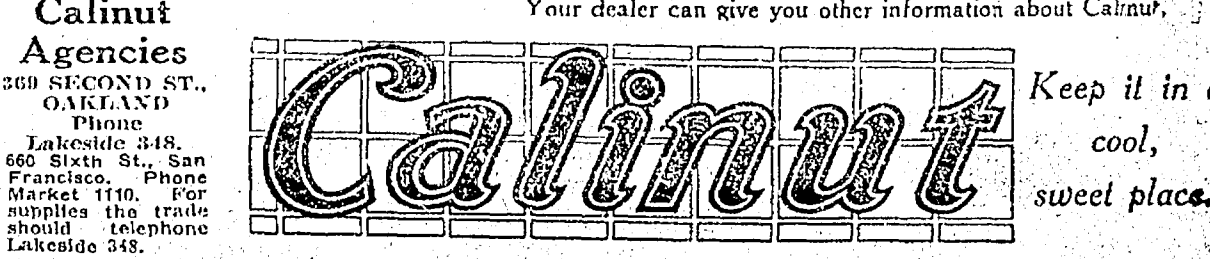

JOHNNY: "Yes, you bet; and the kids don't forget that it is made fresh in California every day. That's one of the good points about it."

JIMMY: "That's one good point, Johnny; another is that it costs from a third to a half less than the usual bread-spread. I think my point beats yours, Johnny."

MILK MAID: "Now, don't you fellows get into a scrap about it, because we must tell the public both where it is made and how economical it is."

# GAS EXPLOSION BLOWS OUT FRONT OF BROADWAY STORE

## ONE HURT IN BLAST IN BAKERY

An explosion of gas in the Hemperly bakery at 1032 Broadway blew out the front of the place this morning, slightly burned one of the employees, knocked down a passerby, caused damage approximating \$50, shook up the tenants of adjacent premises and jarred the serenity of the policeman on that beat; and did all this within the short space of time it took for Joe Lang, baker, to strike a match and touch its lighted end to old Mr. Carbon Monoxide.

### TO REMOVE DANDRUFF

Get a small bottle of Danderine at any drug store for a few cents, pour a little into your hand and rub well into the scalp with the finger tips. By morning wash, if not all of this awful scurf will have disappeared. Two or three applications will do the trick and falling hair. Advertisement.

## November 28 Thanksgiving Day Wilson Urges Praise For Peace

WASHINGTON, Nov. 18.—Special and moving causes to be grateful and the people are set forth by President Wilson today

In his annual Thanksgiving Day proclamation, Thursday, November 28, is proclaimed as this year's day of "thanksgiving and prayer."

The President appeals for strengthening of friendship and mutual respect in building the peace. The force of the explosion was toward the front of the bakery and did no damage to any other portion of the place.

new structure of peace and good will among the nations. "It has long been our custom

to turn in the autumn of the year in praise and thanksgiving to Almighty God for His many blessings and mercies to us as a nation. This year we have special and moving cause to be grateful and to praise God, in His good pleasure, given us peace.

"Complete victory has brought us, not peace alone, but the confident promise of a new day as well, in which justice shall replace force and jealous intrigue among the nations. "Gentle armies have participated in a triumph which is not marred or stained by any purpose of selfish aggression. In a righteous cause they have nobly served their nation in serving mankind. "God has indeed been merciful. We have cause for such rejoicing as revives and strengthens in us all the best traditions of our national history. A new day shines about us, in which our hearts take new courage and look forward with new hope to new and greater duties. "While we render thanks for these things, let us not forget to seek the divine guidance in the performance of those duties and divine mercy and forgiveness for all errors of act or purpose, and pray that in all we shall strengthen the ties of friendship and mutual respect upon which we must assist to build the new structure of peace and good will among the nations. "Wherefore, I, Woodrow Wilson, President of the United States of America, do hereby designate Thursday, the twenty-eighth day of November next, as a day of Thanksgiving and prayer, and invite the people throughout the land to cease upon that day from their ordinary occupations and in their several homes and places of worship to render thanks to God, the ruler of nations. "In witness whereof I have hereunto set my hand and caused the seal of the United States to be hereunto affixed. "Done in the District of Columbia, this sixteenth day of November, in the year of our Lord one thousand nine hundred and eighteen, and of the Independence of the United States of America the one hundred and forty-third. "By the President, "WOODROW WILSON, Secretary of State."

## HELP! CRY OF LOS ANGELES OVER MOVIES

The sunny southland has had a real good old-fashioned scare that perhaps after all the north would come along and kidnap her favorites Mary Pickford, Clara Kimball Young, Blanche Sweet, David Griffith and all the rest of the romantic personages of the film world. Los Angeles has asked them about it, and they have smiled and told her not to worry. But Los Angeles has begun to talk about "envious neighboring cities" (meaning San Francisco, Oakland, the peninsula, etc.), which look with jealous eyes at the great industries of the silver sheet which have grown up in the south. Los Angeles has recalled the wind of the bay cities and lately prayed anew of her wonderful climate, a new age of sunshine and multiplicity of scenery. Los Angeles is more than would hate to lose that bit of heaven. The stars have assured her with real screen tears in their eyes that they will not go, no never—unless. So Los Angeles is feeling much better, remembering those promises and her glorious heritage of warmth and color and sunshine when the sun is in the sky.

### COLD FACTS Eloquent

Yet there remains that conference of last week at the St. Francis between producers and the officers of the Chamber of Commerce of San Francisco. From out that meeting was given the news that it was not improbable that Mary Pickford, Blanche Sweet, Clara Kimball Young and many more who pack the movie houses would in the not far distant future make their headquarters some place around the bay. Harry Garson, who aspires to be chief of the independent motion picture production, was there and when he returned south told Harry A. Sherman, Al Cohn and Allen Dwan, wide-known directors, to talk things over. "Somebody was confident enough to announce that the proposed studio would require ten acres of ground, would cost a quarter of a million dollars and that the weekly pay roll would fall between \$50,000 and \$60,000. "Cries of 'kidnapping' have gone up from the south and there have been hurried calls on the producers, including D. W. Griffith, and pledges of good behavior and unrivaled sunshine, and anything but a season or out which would keep the movie colored south and out of reach of the north. "Adding tributes have been paid to our rival cities, and the men who control the great industry, flavored by a bit of hot air. For in truth, movie managers have a way of rolling up bank accounts and are out to be, and where the biggest bank roll is promised. "Mary Pickford is one who has flatly denied that she will stamp the dust of her small feet on the north. But there is Mary's weekly fortune which no affection for a particular city would permit her to relinquish in the event that her director decided to migrate to the

## TWO DEATHS, SHIPWRECK IN STORM'S TOLL

Two deaths, one shipwreck and considerable damage on the waterfront is the damage toll of the storm which for the past twenty-four hours has extended over practically the whole of California, accompanied by a sale of the coast. "The two victims of the storm are Carl V. Guide, chief electrician at San Quentin, and Walter Gorman, a guard. They were killed near San Rafael when an automobile in which they were riding, becoming uncontrollable on the slippery rain-swept road, skidded and turned turtle. "The fishing launch Nettie, owned by the F. B. Booth Company, was wrecked early this morning in the gale off Point Reyes, when it was driven onto a reef. The crew of four, were rescued by the coast guard, the captain being injured in the pounding of the vessel. Efforts are still being made to save the boat. "An oil barge, breaking loose from her tow in the bay two miles off the South Side life-saving station, drifted for hours this morning in the bay and endangered many vessels before it was finally gotten under control by tugs. "A smaller craft broke from their moorings in the bay and estuary, considerable trouble being caused during the night of the gale last night. "At noon today the tide registered 6.7 feet on the gauge at local marine is fully 18 inches above normal for this season and approaches in height the equinoctial tides of the spring and fall.

The incessant rain, accompanied by heavy showers, has forced the cessation of all outside work in East-bay shipyards. Low-lying sections on the western waterfront are flooded. The approach to Blanton's shipyard, at the foot of Fifth avenue, is under water and the lunch counters are being flooded. In some instances the proprietors are unmoored among their ware-like Crusoe on his island. "The Solo Maru, Japanese codfish-boat, was wrecked off pier 36, dragged her anchor and was driven perilously near the United States Shipping Board's steamer Nantahalla when Crowley launch 23 back to her anchorage. "The Standard Oil Company's motorship Rockhampton was commanded to cancel her clearance of port for Australia today on account of the storm. "The oil tanker Tascasula, lying off the Union Iron Works, broke away from her moorings and was drifting into several neighboring slips when dragged away by a Crowley tug. "Shortly before noon the Crowley and Petersen tugboat companies ordered all their craft to dock, refusing to permit them to ride the bay in the storm unless on missions of rescue. "Mary is a wise child and could learn to love San Francisco, too.

## Proposes That City Buy Car System Alberger Suggests People's Vote

Expressing desire to have obtained through an election an expression of the opinion of the people of Oakland, Berkeley and Alameda as to the advisability of the municipalities purchasing the San Francisco-Oakland Terminal Railway, W. R. Alberger, vice-president and general manager of the traction company, has written to Mayor Davie and the city councilmen asking that at the same time the people be given permission to vote on the resettlement franchise plan.

Alberger calls attention to the fact that the advisory board appointed by Mayor Davie recommended the proposed resettlement franchise in the report it made to the mayor and council, and says that it would appear that the people who "voted three to one in favor of the resettlement franchise charter amendment be allowed to vote upon the resettlement franchise proposed by your advisory board pursuant to that amendment."

### WRITES MAYOR

The letter from Alberger follows:

November 13, 1918.

Honorable John L. Davie, Mayor of the City of Oakland.

Dear Sir: The Board of Directors of the San Francisco-Oakland Terminal Railway have instructed me to assure you and, through you, the people of the City of Oakland, that our company will be perfectly willing to sell its street railway properties to the city at a fair valuation to be fixed either by the Railroad Commission or by a jury, whenever the people of the city desire to take over the ownership and operation of such properties.

I have read with interest your letter published in the local papers on the 12th instant, in which you request the City Council to submit to the voters at the spring election this matter of public ownership of our street railway system.

While the company that I represent would welcome an expression of opinion by the voters of the city upon the question of the purchase of our properties, we feel that the voters at the same time should be given the opportunity to express their opinion upon the proposed resettlement franchise.

This resettlement franchise is in no way inconsistent with your suggestion of public ownership. In fact, by an acceptance of that franchise, the company makes the city an irrevocable offer to sell its properties to the city, or to any public utility district or any corporation, the city may designate, at a valuation of the company's properties to be fixed by the Railroad Commission. This is a fair and equitable method of accomplishing public ownership; and it also provides a fair and workable method of improved operation pending the accomplishment of public ownership, or in the event the people vote against public ownership, or fail to give the necessary two-thirds vote in favor of a bond issue to provide the money to pay for our properties.

But a controlling reason why the people of the city should be given the opportunity to vote on the pro-

posed resettlement franchise is that they have already unmistakably expressed their desire to be permitted to vote upon it.

Not only was the charter amendment that was prepared by a Citizens' Committee endorsed by 17,697 voters who petitioned the City Council to put it on the ballot in November 2 years ago, but also the amendment was carried at the polls by a three to one vote. The matter was then submitted to the legislative branch, not only did the unanimous endorsement of both houses, but the legislature unanimously passed and the Governor approved a bill removing all possible conflicts between the state law and the charter amendment.

### ADVISORY BOARD

Furthermore, the Advisory Board of seven citizens appointed by you as required by the charter amendment, consisting of Dr. George C. Fardee, F. C. Blake, James H. Farber, Dr. R. M. Higgins, Samuel Hubbard, A. S. MacDonald and John W. Starnes, spent a year and a half working upon the proposed resettlement franchise, and then unanimously recommended it to the City Council.

This Advisory Board has made a careful examination of the entire subject, which has included a study of similar franchises in other cities, and they have secured expert advice including that of Paul A. Schneider, former head expert of the Railroad Commission, who is now connected with the Capital Issues Committee at Washington, D. C.

Their report to the Council was unanimous, and concluded as follows: "The Board believes that the proposed franchise is fair, both to the city and to the company, and that if it is adopted it will enable the company to reorganize and secure the funds required to give better and more extensive service."

With this endorsement by your Advisory Board after eighteen months' labor; with the endorsement of the general plan for a resettlement franchise by the legislature and the Governor; and by the people of the city, by a three to one vote; and with the same three to one vote announcing to the members of the City Council that the people of the city desire an opportunity to vote upon a resettlement franchise, I feel sure you will agree with me that no one could object to allowing the people of the city

of Oakland to decide whether or not they approve of the proposed resettlement franchise.

In your letter of the 12th instant, you told the members of the City Council that they could "not well deny the people the right to vote to place this utility in their own hands." I hope you will take a like attitude toward any attempt that may be made to prevent the people from voting either in favor of or against the resettlement franchise recommended by your Advisory Board.

### OFFERS SUGGESTION

Our suggestion is that the people who voted three to one in favor of the resettlement franchise charter amendment be allowed to vote upon the resettlement franchise proposed by your Advisory Board pursuant to that amendment. There may also be submitted to the people at the same time any plan which you may suggest in regard to the immediate public ownership of our street car lines.

To the end that the proposed resettlement franchise may be ready for submission to the voters at the spring election, we hope that the City Council will at an early date request the Railroad Commission to fix the valuation of our properties. When this valuation is fixed, it can be used as a basis not only in the resettlement franchise, but in any plan for public ownership of our properties, and may hereafter be formulated by you.

I am sending a copy of this communication to each member of the City Council, and am also delivering copies to the press.

Yours truly,

W. R. ALBERGER, Vice-President and Gen. Manager.

## EVERYONE LIKES THIS GOLD CURE

"Pape's Cold Compound" Ends a Cold or Grippe in a Few Hours.

Your cold will break and all grippe misery end after taking a dose of "Pape's Cold Compound" every two hours until three doses are taken. It promptly opens clogged-up nostrils and air passages in the head, stops nasal discharge or nose running, relieves sick headache, dizziness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and sniffling! Breathe your throbbing head—nothing else in the world gives such prompt relief as Pape's Cold Compound, which costs only a few cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience, except no substitute. Advertisement.

The E. W. Rose Co., Cleveland, O.

### Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and other skin troubles. A little Zeno, obtained at any drug store for 35c, or \$1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zeno is a wonderful, penetrating, disappearing ointment and soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.

The E. W. Rose Co., Cleveland, O.

## Can Cranberries While You Can

The Delicious Pacific Coast Cranberry is now obtainable from your Grocer or Delicatessen

The thrifty housewife will profit by the advantage of buying up cranberries now, while they are in their prime.

### Cranberries Can Be Canned

as readily as any other fruit, and are known to be extremely healthful. No waste in their preparation—the whole fruit is used. No skins to peel off, no cores to remove. Use water liberally.

Make this a Cranberry season and enjoy this wholesome, economical and appetizing fruit in its many tempting ways.

And, remember, Pacific Coast Cranberries are delivered to your grocer within a comparatively short time after they are picked in the marshes.

### Sugar-Saving Recipes

#### SPICED CRANBERRY JELLY

1 Quart cranberries  
2-3 Cup cold water  
2 Cups Sugar, Sorethum Syrup or Honey  
1-2 Cup cold water

Pick over and wash berries. Add boiling water and first boil until cranberries are soft. Rub through a sieve and add remaining ingredients, cook turn into a mold and chill.

#### CRANBERRY CONSERVE

1 Quart cranberries  
2-3 Cup cold water  
2-3 Cup boiling water  
1 1/2 pounds Sugar, Sorethum Syrup or Honey

Pick over and wash cranberries. Put in saucepan, add cold water, bring to boiling point, add boiling water and first boil until cranberries are soft. Rub through a sieve, add remaining ingredients, cook turn into a mold and chill.

#### CRANBERRY JAM

Sufficient for one pound of jam. Pick over cranberries by rejecting injured ones, and to every pound of fruit allow 2 pounds of Sugar or Honey or Sorethum Syrup. The preserve must be kept in carefully covered jars. Time 20 minutes after it comes to the boiling point.

### Cook Cranberries in porcelain-lined enameled or aluminum utensils only

### Enjoy Cranberries the Year 'Round

Ask Your Grocer for Pacific Coast Cranberries
